4. Scope of Contract

The scope of this contract is limited to the products as defined herein. This contract is for use by all state agencies, departments, institutions, universities, community colleges, public schools units (except those exempted by statute), and certain non-state agencies.

In accordance with North Carolina General Statutes, certain non-state entities described below, may participate in this contract on a voluntary basis. Any of the non-state entities that choose to participate in this contract must abide by the terms and conditions that are set forth in this contract.

Nonprofit corporations operating charitable hospitals, local nonprofit community sheltered workshops or centers that meet standards established by the Division of Vocational Rehabilitation of the Department of Health and Human Services, private nonprofit agencies licensed or approved by the Department of Health and Human Services as child placing agencies, residential child-care facilities, private nonprofit rural, community, and migrant health centers designated by the Office of Rural Health and Resource Development, private higher education institutions, counties, cities, towns, governmental entities, volunteer fire departments, rescue squads, and other subdivisions of the State and public agencies thereof.

5. Taxes

Prices or Discounts shown herein do not include any North Carolina sales or use taxes.

6. Abnormal Quantities

Any State agency requirement that exceeds **ten (10) units** must be forwarded to the Division of Purchase and Contract for processing. The Division, at its sole discretion, may process any such requirement in one of the following ways:

- a. Purchase may be authorized at the current level of pricing with the current contract vendor(s.)
- b. Additional discounts from the current level of pricing may be negotiated with the current contract vendor(s.)
- c. A separate Invitation for Bids may be issued for the requirement.

7. Minimum Orders

This contract will be for a minimum order of **one (1) unit** for any single order. Agencies are authorized to purchase from best available sources on orders less than this minimum order value. This provision shall not be used by an agency to circumvent the intent of the contract. If an agency elects to place an order for less than the minimum order value, and the contractor elects to accept such order, then transportation charges will be prepaid and added to the invoice.

8. Placement of Orders

End users under this Statewide Term Contract are required to contact multiple contractors to obtain best value bids to fulfill and end user's specific needs, including but not limited to: prices, delivery, warranty, service locations, available options/features/attachments and other issues important to the end user. The contacted contractor shall within 24 hours or other time period as requested, provided by fax or email to the end user the following offer information: make/model number, description of features (complete specification sheet), MSRP price, State of NC Pricing and firm delivery date. The price(s) in such offer may not exceed, but may be less than, the prices agree to at the time of award.

Our end-users/agencies under this Statewide Term Contract will be required to obtain a minimum of three (3) quotes from vendors under contract for any item with the purchase price which exceeds \$10,000.00; if the end-user is not purchasing from the lowest bidder as provided under this contract, the end-user/agency must provide a satisfactory prior justification in writing to the State Purchasing Officer for approval.

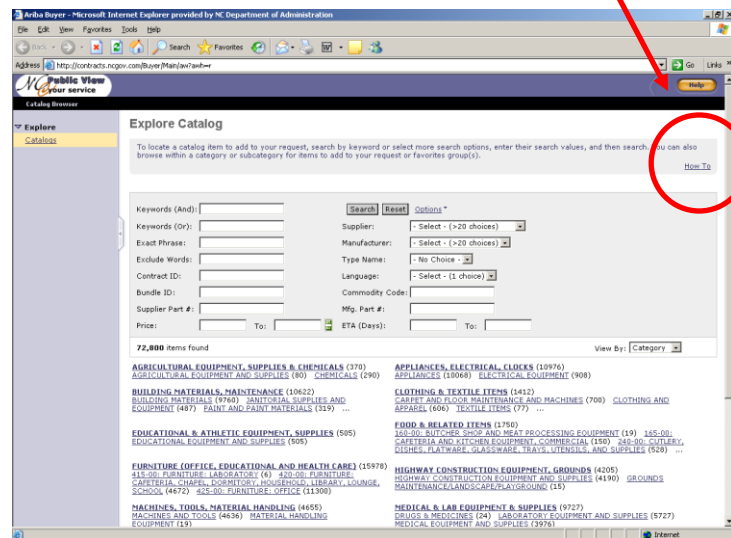

Order Placement Via E-Procurement (Catalog Items)

- Click on the following link: [E-Procurement Users](#)
- When placing an order in the e-procurement system, the very first thing to do is to go to the catalog tab and select options. After you have selected options, select contract ID. In the contract ID space type in the contract ID number, 515B.
- Please make sure the keywords space is blank and the contract ID is typed in the contract ID section.
- After selecting the contract ID and to narrow the search to a particular manufacturer select the manufacturer from the drop down
- When the item to be ordered has been located complete the requisition and issue the purchase order.

Non E-Procurement Users

The E-Procurement Public View will be the only place for Non E-Procurement Users to view the item/pricing information.

- Click on the following link: [E-Procurement Public View](#)
- For online assistance regarding item searching; click on the “How to” underlined link located near the upper-right hand corner.**

9. Delivery

Delivery will be complete within **10 to 180 consecutive calendar days depending on item/equipment** after receipt of purchase order. In the event the delivery is not received within the contract delivery period, the contractor may be held in default in accordance with paragraph 1, DEFAULT AND PERFORMANCE BOND in the North Carolina General Contract Terms and Conditions, and the state may procure the articles or services from other sources and hold the contractor responsible for excess cost occasioned thereby.

Contractor shall contact the agency purchaser as noted on the purchase order at least **twenty four (24) hours** prior to delivery.

10. Transportation Charges

All goods shall be delivered **FOB DESTINATION** for all orders equal to, or greater, than the minimum order, when shipped to a single destination to any location within the State of North Carolina. Orders for less than the minimum order will be shipped prepaid, with transportation charges added to the invoice as a separate item. Transportation charges levied by the contractor for orders equal to, or greater than the minimum order, when shipped to a single destination, may be cause for removal of the contractor from the contract. In instances where the contractor makes partial shipments of an order to one destination, which is equal to, or greater than, the minimum order, all shipments of the order shall be sent **FOB DESTINATION** with NO additional transportation charges.

11. Price Lists and Catalogs

Contractors are required, upon request of any user, to provide the user with catalogs and descriptive literature and a listing of authorized dealers complete with toll free phone and FAX numbers. This information is to be provided to the ordering agency **within five (5) business days of the request**. Such information shall be provided at no charge to the user. This may be supplied on CD in Excel or "stick" format.
